**Dear Colleagues,**

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Mathematical Education: Policy and Practice (IJoME)**, which publishes original research papers and survey articles in all aspects of mathematical education at all levels- in schools, colleges, polytechnics, universities, industry and commerce. All submissions should be made electronically to the Editor-in-chief through: (EIC: [submit@rippublication.com](mailto:submit@rippublication.com)). More information on the journal and the publishing process can be obtained at: [www.rippublication.com/ijome.htm](http://www.rippublication.com/ijome.htm)

The International Journal of Mathematical Education is an international research journal, Topics in detail to be covered are: educational research, including mathematics education, teaching and learning, curriculum development study, mathematical problem solving, classroom practices of mathematics teachers, teaching materials and strategies, assessment and presentation of mathematics, designing and developing of tools, applications and interactive contents for the teaching and learning, educational policy/sociology, and comparative education and more..

**Submission:** Authors are requested to submit their papers electronically to [submit@rippublication.com](mailto:submit@rippublication.com) with mention journal title (**IJoME**) in subject line.

### Author benefits:

The benefits of publishing in **International Journal of Mathematical Education: Policy and Practice (IJoME)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

*With kind regards,*
