 School of Science and Engineering  
 Kinki University, Higashi-Osaka,  
 Osaka 577-8502, Japan

**Dear Colleagues,**

We would like to invite you to submit manuscripts of your original papers, for possible publication in **Advances in Applied Mathematical Analysis (AAMA)**, which is a peer-reviewed periodical covering various aspects of mathematical analysis as well as its applications in different branches of mathematical sciences etc. All submissions should be made electronically to the Editor-in-chief through: ([EIC:submit@ripulation.com](mailto:EIC:submit@ripulation.com)). More information on the journal and the publishing process can be obtained at: [www.ripulation.com/aama.htm](http://www.ripulation.com/aama.htm)

The Advances in Applied Mathematical Analysis (AAMA) is an international research journal, which publishes top-level work from advances in various aspects of mathematical analysis as well as its applications in different branches of mathematical, physical and biological sciences; engineering, information technology etc. in which the core and flavor in mathematical analysis is highlighted. Areas and subareas of interest include (but are not limited to) classical mathematical analysis, such as the differentiation and integration of functions, measure theory, analytic and harmonic functions, Functional analysis, Real analysis, Complex analysis, Numerical analysis, Fourier analysis and orthogonal expansions, approximation of functions and quadrature formulae, function spaces, extremal problems and inequalities, Optimization, Control, Probability, Statistics, Combinatorics etc..

**Submission:** Authors are requested to submit their papers electronically to [submit@ripulation.com](mailto:submit@ripulation.com) with mention journal title (**AAMA**) in subject line.

**Author benefits:**

The benefits of publishing in **Advances in Applied Mathematical Analysis (AAMA)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

*With kind regards,*

**Shigeyoshi OWA**, Editor-in-chief  
 Advances in Applied Mathematical Analysis

**Submit Your Papers by email at [submit@ripulation.com](mailto:submit@ripulation.com)**
