Call for Papers

Editor-in-Chief:
Mohammad Mirzazadeh,
Department of Mathematics,
Faculty of Sciences,
University of Guilan,
Rasht, P.O. Box: 1914, Iran.

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in The **Global Journal of Computational Science and Mathematics (GJCSM)**, which publishes areas of computational science and mathematics, with interfaces to physics, engineering, chemistry, biology, statistics, economics and the social sciences. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/gjcsm.htm

The **Global Journal of Computational Science and Mathematics (GJCSM)** objective is the timely dissemination of original research work on computing science and mathematics. publishes original peer-reviewed papers, which include research papers, comprehensive survey articles, conference reports and book reviews within the whole field of computing science and mathematics, and it will continue to provide information on the latest trends and developments in this ever-expanding subject. Special Issues devoted to important topics on computational science and mathematics and applications will occasionally be published.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**GJCSM**) in subject line.

Author benefits:

The benefits of publishing in **Global Journal of Computational Science and Mathematics (GJCSM)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Mohammad Mirzazadeh, Editor-in-chief
Global Journal of Computational Science and Mathematics
