Call for Papers

Editor-in-chief:

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **Global Journal of Difference Equations (GJDE)**, which publishes top-level work to covering all areas in mathematics that contain significant theory or applications in difference equations or discrete dynamical systems. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/gjde.htm

The Global Journal of Difference Equations (GJDE), is an international research journal, Topics include iteration theory, chaos theory, complex dynamics, mathematical biology, control theory, stability theory, dynamic equations on time scales, boundary value problems, symmetries and integrable systems, q-difference equations, ergodic theory, numerical analysis, difference-differential equations, computational linear algebra, combinatorics, evolutionary game theory and other fields at the Editors' discretion. The Journal also welcomes the submission of open problems, book reviews, short notes and conjectures.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**GJDE**) in subject line.

Author benefits:

The benefits of publishing in **Global Journal of Difference Equations (GJDE)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Editor-in-chief

Global Journal of Difference Equations (GJDE)
