Call for Papers

Editor-in-chief:

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Advanced Biotechnology Research (IJABR)**, which publishes top-level work from all areas related to Biotechnology and also covers wide spectrum of allied research areas. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijabr.htm

The International Journal of Advanced Biotechnology Research (IJABR), is an international research journal. The journal covers novel aspects and methods in all areas of biotechnology. Journal also focuses on the public, legal, ethical and cultural aspects of biotechnological research. Journal contains a series of timely in-depth reviews, research articles, and innovative-multidisciplinary areas of Biotechnology. The journal covers novel aspects and methods in all areas of biotechnology. Journal also focuses on the public, legal, ethical and cultural aspects of biotechnological research.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJABR**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Advanced Biotechnology Research (IJABR)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Editor-in-chief

International Journal of Advanced Biotechnology Research (IJABR)
