**Call for Papers**

Editor-in-chief:

**Prof. Soon-Ung Park**

School of Earth and Environmental Sciences

Seoul National University,

Seoul, 151-742

South Korea

**Dear Colleagues,**

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Applied Environmental Sciences (IJAES)**, which publishes top-level work from all areas of environmental engineering and applied environmental science. More information on the journal and the publishing process can be obtained at: [www.rippublication.com/ijaes.htm](http://www.rippublication.com/ijaes.htm)

The **International Journal of Applied Environmental Sciences (IJAES)** provides an effective forum for the dissemination of environmental research, encouraging interdisciplinary research collaboration to address the multi-faceted nature of environmental problems. It addresses all aspects of environmental engineering and applied environmental science. The journal publishes original research papers on main aspects of environmental sciences, such as environmental chemistry, environmental biology, ecology geoscience and environmental physics. Appropriate subjects include basic and applied research on atmospheric, terrestrial and aquatic environments pollution control and abatement technology, conservation of natural resources, environmental health study and toxicology, environmental quality assessment, environmental standards and criteria. Review articles in selected areas are published from time to time.

**Submission:** Authors are requested to submit their papers electronically to [submit@rippublication.com](mailto:submit@rippublication.com) with mention journal title (**IJAES**) in subject line.

**Indexing:** EBSCOhost, GOOGLE Scholar, JournalSeek, J-Gate, ICI Index Copernicus.

**Author benefits:**

The benefits of publishing in **International Journal of Applied Environmental Sciences (IJAES)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 1-2 weeks).
- Excellent editorial standards
- Access free on-line issue of journal for one year.
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions. Worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

*With kind regards,*

**Prof. Soon-Ung Park**, Editor-in-chief

International Journal of Applied Environmental Sciences
