Call for Papers

Editor-in-chief:

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Advanced Mechanical Engineering (IJAME)**, which publishes top-level work from all areas related to Mechanical Engineering. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijame.htm

The International Journal of Advanced Mechanical Engineering (IJAME), is an international research journal. It covers theoretical and practice oriented papers, dealing with problems of modern technology (power and process engineering, structural and machine design, production engineering mechanism and materials, etc.), Materials and Design Engineering, Production Engineering and Fusion Technology, Dynamics, Vibration and Control, Thermal Engineering and Fluids Engineering. It considers activities such as: design, construction, operation, environmental protection, etc. in the field of mechanical engineering and other related branches.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJAME**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Advanced Mechanical Engineering (IJAME)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Editor-in-chief

International Journal of Advanced Mechanical Engineering (IJAME)
