Call for Papers

Editor-in-chief:

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Applied Mathematics and Mechanics (IJAMM)**. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijamm.htm

The International Journal of Applied Mathematics and Mechanics publishes as rapidly as possible manuscripts of high standard, through electronic submission and reviewing. It provides a fast communication platform among researchers using mathematics as a tool for solving problems in mechanics, with particular emphasis in the integration of theory and applications. Mechanics is the study of the response of objects to forces and how to control it. Forces range from gravity to intermolecular. The objects may be galaxies or atoms, biological or chemical, solid or liquid, and can be intelligent. The response may be regular, have phase changes, be catastrophic or be chaotic.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJAMM**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Applied Mathematics and Mechanics (IJAMM)**, includes:
