Call for Papers

Editor-in-chief:

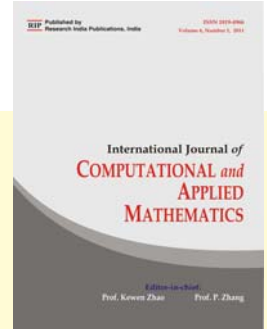

Prof. Kewen Zhao,

Departments of Mathematics

University of Qiongzhou,

Hainan, 572200, P.R.

China.

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Computational and Applied Mathematics (IJCAM)**. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijcam.htm

The International Journal of Computational and Applied Mathematics (IJCAM) Journal publishes research articles and reviews within the whole field of Mathematical Sciences, and it will continue to provide information on the latest trends and developments in this ever-expanding subject. It includes but not limited to areas of mathematics such as algebra (especially group theory), combinatorics (especially graph theory), geometry, number theory and numerical analysis; computational complexity; cryptology; symbolic and algebraic computation; optimisation; and genetic algorithms; computational learning theory; theorem proving and more...

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJCAM**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Computational and Applied Mathematics (IJCAM)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Prof. Kewen Zhao, Editor-in-chief

International Journal of Computational and Applied Mathematics
