### Call for Papers

Editor-in-chief:

### Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Environmental Engineering and Management (IJEEM)**, which publishes original research papers on main aspects of environmental sciences. All submissions should be made electronically to the Editor-in-chief through: (EIC: [submit@rippublication.com](mailto:submit@rippublication.com)). More information on the journal and the publishing process can be obtained at: [www.rippublication.com/ijeem.htm](http://www.rippublication.com/ijeem.htm)

The International Journal of Environmental Engineering and Management (IJEEM) is an reviewed journal. It addresses all aspects of environmental engineering and applied environmental science, such as environmental chemistry, environmental biology, ecology geoscience and environmental physics. Appropriate subjects include basic and applied research on atmospheric, terrestrial and aquatic environments pollution control and abatement technology, conservation of natural resources, environmental health study and toxicology, environmental quality assessment, environmental standards and criteria. Review articles in selected areas are published from time to time.

**Submission:** Authors are requested to submit their papers electronically to [submit@rippublication.com](mailto:submit@rippublication.com) with mention journal title (**IJEEM**) in subject line.

### Author benefits:

The benefits of publishing in **International Journal of Environmental Engineering and Management (IJEEM)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
