Call for Papers

Editor-in-chief:

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Fuzzy Mathematics and Systems (IJFMS)**, which publishes original research papers from all areas of theoretical and applications of fuzzy sets and systems. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijfms.htm

The International Journal of Fuzzy Mathematics and Systems (IJFMS) is an international journal. The theory of fuzzy sets now includes (and not restricted to) aggregation operations, a generalized theory of relations, specific measures of information content, a calculus of fuzzy numbers. IJFMS publishes work in the theory and applications of fuzzy sets and systems in the areas of foundations, pure mathematics, artificial intelligence, control, robotics, data analysis, data mining, decision making, finance and management, information systems, operations research, pattern recognition and image processing, soft computing and uncertainty modeling.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJFMS**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Fuzzy Mathematics and Systems (IJFMS)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Editor-in-chief

International Journal of Fuzzy Mathematics and Systems (IJFMS)
