### Call for Papers

Editor-in-chief:

**Dear Colleagues,**

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Industrial and Production Engineering & Technology (IJIPET)**, which publishes top-level work from all areas related to industrial engineering. The goal of this journal is to provide a platform for engineers and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of industrial engineering. All submissions should be made electronically to the Editor-in-chief through: (EIC: [submit@rippublication.com](mailto:submit@rippublication.com)). More information on the journal and the publishing process can be obtained at: [www.rippublication.com/ijipet.htm](http://www.rippublication.com/ijipet.htm)

The International Journal of Industrial and Production Engineering & Technology (IJIPET) is a scholarly international journal. The journal includes (but not limited to) the following fields: Operations Research and Decision-Making Models, Production Planning and Inventory Control, Supply Chain Management, Quality Engineering, Applications of Fuzzy Theory in Industrial Engineering, Applications of Met heuristic Methods in Industrial Engineering. and more....

**Submission:** Authors are requested to submit their papers electronically to [submit@rippublication.com](mailto:submit@rippublication.com) with mention journal title (**IJIPET**) in subject line.

### Author benefits:

The benefits of publishing in **International Journal of Industrial and Production Engineering & Technology (IJIPET)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

*With kind regards,*
