## International Journal of Mechanics and Solids (IJM&S)

Homepage: <http://www.rippublication.com/ijm&s.htm>

ISSN 0973-1881

### Call for Papers

Editor-in-chief

**Sayavur I. Bakhtiyarov,**

Mechanical Engineering Department,  
New Mexico Institute of Mining and  
Technology  
Socorro, NM 87801-4796, USA

### Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Mechanics and Solids (IJM&S)** which publishes top-level work covering all disciplines and branches of Solids and Mechanics. Its Editorial Board is comprised of internationally known peers from across the globe. We are proud to have attracted some of the global leaders in their respective fields. More information on the journal and the publishing process can be obtained at: [www.rippublication.com/ijm&s.htm](http://www.rippublication.com/ijm&s.htm)

The **International Journal of Mechanics and Solids (IJM&S)** is an international Journal. General areas of interest include the electric, magnetic, optical, thermal, mechanical and structural properties of solids; Mechanics of materials; thermodynamics; elasticity; plasticity; creep; fracture; composites and multiphase materials; micromechanics; structural mechanics; stability; vibrations; wave propagation; robotics; contact; friction and wear; optimization; identification; mechanics of rigid bodies; biomechanics.

**Submission:** Authors are requested to submit their papers electronically to [submit@rippublication.com](mailto:submit@rippublication.com) with mention journal title (**IJM&S**) in subject line.

### Author benefits:

The benefits of publishing in **International Journal of Mechanics and Solids (IJM&S)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

*With kind regards,*

**Sayavur I. Bakhtiyarov,** Editor-in-chief

International Journal of Mechanics and Solids (IJM&S)

**Submit Your Papers by email at [submit@rippublication.com](mailto:submit@rippublication.com)**
