### Call for Papers

Editor-in-chief:

**Prof. Ossama M. M. El-Shazly,**  
Physics Department, Faculty of Science,  
Alexandria University,  
Alexandria,  
Egypt

### Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Nanotechnology and Applications (IJNA)**, which publishes top-level work from all areas related to Nanotechnology and their applications. All submissions should be made electronically to the Editor-in-chief through: (EIC: [submit@rippublication.com](mailto:submit@rippublication.com)). More information on the journal and the publishing process can be obtained at: [www.rippublication.com/ijna.htm](http://www.rippublication.com/ijna.htm)

The International Journal of Nanotechnology and Applications (IJNA) is an international research journal. Topics include in this journal are the broad scope multidisciplinary nature of nanotechnology. It encompasses the understanding of the fundamental physics, chemistry, biology and technology of nanometre-scale objects and how such objects can be used in the areas of computation, sensors, nanosciences, nanoelectronics, nanostructured materials and nanobiotechnology. Innovative applications and material that brings together diverse areas of Nanotechnology are particularly welcome.

**Submission:** Authors are requested to submit their papers electronically to [submit@rippublication.com](mailto:submit@rippublication.com) with mention journal title (**IJNA**) in subject line.

### Author benefits:

The benefits of publishing in **International Journal of Nanotechnology and Applications (IJNA)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

*With kind regards,*

**Prof. Ossama M. M. El-Shazly,** Editor-in-chief  
International Journal of Nanotechnology and Applications (IJNA)
