Call for Papers

Editor-in-chief:

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Semiconductor Science & Technology (IJSST)**, which publishes original research papers on all aspects of semiconductor research and applications. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijssst.htm

The International Journal of Semiconductor Science & Technology (IJSST) is an international journal. The journal publishes original research papers on main aspects of experimental and theoretical studies of the properties of semiconductors and their interfaces. Appropriate subjects include but not limited to electrical properties, optical properties, device design, device fabrication, materials processing, materials and device analysis, process monitoring, reliability. Review articles in selected areas are published from time to time.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJSST**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Semiconductor Science & Technology (IJSST)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Editor-in-chief

International Journal of Semiconductor Science & Technology (IJSST)
