Call for Papers

Editor-in-chief:

Prof. J. N. Pandey,
School of Mathematics and Statistics,
Carleton University,
Ottawa, Ontario, K1S5B6
Canada

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **Journal of Wavelet Theory and Applications (JWTA)**, which publishes top-level work from all areas of theories and applications, concentrating on the practical applications of the wavelets. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/jwta.htm

The Journal of Wavelet Theory and Applications (JWTA) is an international research journal, Areas and subareas of interest include (but are not limited to) wavelet analysis, wavelet transforms, time-frequency signal analysis, gabor frames, wavelet methods for time series analysis, multiresolution analysis, multiscale signal processing, data analysis, partial differential equations, sampling, wavelets in physics, wavelets and subbands, statistical applications and data analysis, approximation theory, wavelet applications in topography, nonlinear optics, and compression and more...

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**JWTA**) in subject line.

Author benefits:

The benefits of publishing in **Journal of Wavelet Theory and Applications (JWTA)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription

With kind regards,

Prof. J. N. Pandey, Editor-in-chief
