### Dear Colleagues,

We are pleased to announce the launching of our new journal "COMMUNICATIONS IN MATHEMATICAL ANALYSIS", a mathematical journal for rapid dissemination, devoted to the publication of high quality and short papers in all areas and sub-areas of mathematical analysis and their applications. A manuscript submitted to the CMA should be correct, new, nontrivial, and well written. Badly written papers will be automatically dismissed. Manuscripts can be submitted either electronically through the official email address of the journal at: [CMA.Math@gmail.com](mailto:CMA.Math@gmail.com) or to any member of the editorial board. The length of each manuscript should be limited to 10 printed pages, when published. More information on the submission rules can be found at the following URL: <http://www.ripublication.com/cmaSubmission.htm>

**Indexing and Abstracting:** The CMA is abstracted and indexed in the Zentralblatt databases.

The CMA will publish one volume consisting of two issues, per year. A PDF file of the published papers will be offered to author(s) free of cost. Reprints and back issues can be ordered directly to the publisher :
