Call for Papers

Editor-in-chief

Ajith Abraham, Ph.D.,
School of Computer Science and Engineering,
Chung-Ang University,
221, Heukseok-dong, Dongjak-gu
Seoul 156-756, Republic of Korea
Email: ajith.abraham@ieee.org

Dear Colleagues,

We are pleased to announce the launching of our new journal “International Journal of Computational Intelligence Research (IJCIR)”. We would like to invite you to submit manuscripts of your original papers, for possible publication in IJCIR which is a peer-reviewed periodical dedicated to the proliferation and dissemination of scholarly research results covering all disciplines and branches of computational intelligence and its applications. Its Editorial Board is comprised of internationally known peers from across the globe. We are proud to have attracted some of the global leaders in their respective fields. All submissions should be made electronically to the editor-in-chief through:(EIC: ajith.abraham@ieee.org). More information of the journal, Aim and Scope and the publishing process can be obtained at: www.ripublication.com/ijcir.htm, www.ijcir.info

The “**International Journal of Computational Intelligence Research (IJCIR)**” is a peer reviewed international journal with a key objective to provide the academic and industrial community a medium for presenting original cutting edge research related to computational intelligence and its applications. **IJCIR** invites authors to submit their original and unpublished work that communicates current research on computational intelligence both the theoretical and methodological aspects, as well as various applications in real world problems from science, technology, business or commerce.

Online submission of Paper: Submitted papers must be in English and should not have been published elsewhere or being currently under consideration by any other journal. Authors should submit the electronic version of their papers in postscript or PDF formats via the journal web site: <http://ijcir.ujn.edu.cn>

Indexing and Abstracting: The IJCIR is Abstracted and Indexed in ACM Computing Reviews, ACM Guide to Computing Literature, DBLP.

Frequency: The first issue of Journal (IJCIR) is expected to be launched from the month of September with two issues this year and four issues from next year.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this new journal amongst your colleagues for possible contribution and Subscription. IJCIR printed copies are available via annual subscription for \$120/Libraries and \$80/Individual.

With Kind Regards,

Ajith Abraham, Editor-in-chief
International Journal of Computational Intelligence Research
