Dear Colleagues,

We are pleased to announce the launching of our new journal “**International Journal of Nanotechnology and Applications (IJNA)**”. We would like to invite you to submit manuscripts of your original papers, for possible publication in **IJNA**, which is a peer-reviewed periodical dedicated to the proliferation and dissemination of scholarly research results covering all areas related to Nanotechnology and their applications. All submissions should be made electronically to the Editor-in-chief through: (EIC: elshazlyo@yahoo.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijna.htm

The **International Journal of Nanotechnology and Applications (IJNA)** is an international research journal, which publishes top-level work from all areas related to Nanotechnology and their applications. Topics include in this journal are the broad scope multidisciplinary nature of nanotechnology. It encompasses the understanding of the fundamental physics, chemistry, biology and technology of nanometre-scale objects and how such objects can be used in the areas of computation, sensors, nanosciences, nanoelectronics, nanostructured materials and nano-biotechnology. Innovative applications and material that brings together diverse areas of Nanotechnology are particularly welcome.

Author benefits

The benefits of publishing in International Journal of Nanotechnology and Applications (IJNA) include:

- * Fast publication times: your paper will appear online as soon as it is ready, in advance of print version
- * Excellent editorial standards
- * Free colour in electronic version
- * Access free on-line issue of journal for one year.
