Kyoto, Sangyo University,

Kita-Ku, Kamigamo,

Kyoto 603-8555, Japan

Email: ito@ksuvx0.kyoto-su.ac.jp

Dear Colleagues,

We are pleased to announce the launching of our new journal “**Mathematics Applied in Science and Technology**”. We would like to invite you to submit manuscripts of your original papers, for possible publication in **MAST** which is a peer-reviewed periodical research publications from all areas of mathematics and applications in all branches of sciences. All submissions should be made electronically to the Editor-in-chief through: (EIC: ito@ksuvx0.kyoto-su.ac.jp). More information of the journal, and the publishing process can be obtained at: www.ripublication.com/mast.htm

The **Mathematics Applied in Science and Technology (MAST)** is an international journal of high quality devoted to the publication of original research papers from all areas of mathematics and applications in sciences such as pure and applied mathematics, theoretical computer science, mathematical physics, theoretical mechanics, probability and mathematical statistics, mathematical chemistry, mathematical biology, mathematical psychology, mathematical sociology, mathematical economics and applications of mathematics to the engineering sciences. It is intended that the journal may act as an interdisciplinary forum for mathematics and its applications. Innovative applications and material that brings together diverse areas of mathematics are particularly welcome.

Author benefits

The benefits of publishing in Mathematics Applied in Science and Technology include:

- * Fast publication times: your paper will appear online as soon as it is ready, in advance of print version
- * Excellent editorial standards
- * Free colour in electronic version
- * Access free on-line issue of journal for one year.
- * A rigorous, fast and constructive peer review process
- * All abstracts and full text available free on-line to all main universities/institution worldwide.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this new journal amongst your colleagues for possible contribution and Subscription.

With Kind Regards,

Masami Ito, Editor-in-chief

Mathematics Applied in Science and Technology
