Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Applied Chemistry (IJAC)**, which is a peer-reviewed periodical covering all areas of applied chemistry and other related areas of chemistry. All submissions should be made electronically to the Editor-in-chief through: (EIC: ekaijac@yahoo.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijac.htm

The *International Journal of Applied Chemistry (IJAC)* is a peer reviewed international journal of high quality devoted to the publication of original research papers from applied Chemistry and their broad range of applications. **IJAC** publishes original research papers, comprehensive review articles, survey articles, book reviews, dissertation abstracts in all areas of applied chemistry and other related areas of chemistry. The subjects will cover all disciplines and branches of modern chemistry, including the structure of inorganic and organic compounds, kinetics and mechanisms of chemical reactions, problems of chemical processes and apparatus, borderline problems of chemistry, and applied research. Review articles in selected areas are published from time to time.

Author benefits

The benefits of publishing in International Journal of Applied Chemistry (IJAC) include:
