Dear Colleagues,

We are pleased to announce the launching of our new journal - **International Journal of Chemical Engineering Research (IJChER)**. We would like to invite you to submit manuscripts of your original papers, for publication in **IJChER** which is a peer-reviewed periodical dedicated to the proliferation and dissemination of scholarly research results covering all disciplines of theoretical and applied chemical engineering. All submissions should be made electronically to the editor-in-chief through (E-mail rajender.gupta@ualberta.ca). More information of the journal and the publishing process can be obtained at: www.ripublication.com/ijcher.htm

International Journal of Chemical Engineering Research (IJChER) is an international research journal, which will publish original research papers and survey articles all areas dealing with the theory or practice of chemical engineering, biochemical engineering and applied chemistry. Areas and sub-areas of interest include (not limited to) Fundamental and applied research in Fluid Mechanics, Materials Engineering, Physical and Thermodynamic Engineering, Chemical Reaction Engineering, Process Control and Systems Engineering and Safety, Biochemical Food and Medical Engineering, Nano-technology, Energy and Environment Engineering and more.....

Author benefits

The benefits of publishing in International Journal of Chemical Engineering Research (IJChER) include:

- * Fast publication times: your paper will appear online as soon as it is ready, in advance of print version
- * Excellent editorial standards
- * Free colour in electronic version
- * Access free on-line issue of journal for one year.
- * A rigorous, fast and constructive peer review process
- * All abstracts and full text available free on-line to all main universities/institution worldwide.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this new journal amongst your colleagues for possible contribution and subscription.

With Kind Regards,

Rajender Gupta, Editor-in-chief
