Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Mechanics and Solids (IJM&S)**, which is a peer-reviewed periodical covering all disciplines and branches of Solids and Mechanics. All submissions should be made electronically to the Editor-in-chief through: (E-mail: [sayavur@nmt.edu](mailto:sayavur@nmt.edu)). More information on the journal and the publishing process can be obtained at: [www.rippublication.com/ijms.htm](http://www.rippublication.com/ijms.htm)

The **International Journal of Mechanics and Solids (IJM&S)** publishes top-level work covering all disciplines and branches of Solids and Mechanics from the physical and mathematical approaches to materials engineering, technological applications and methods of modern computational mechanics. Both theoretical, and applied research is accepted. General areas of interest include the electric, magnetic, optical, thermal, mechanical and structural properties of solids; Mechanics of materials; thermodynamics; elasticity; plasticity; creep; fracture; composites and multiphase materials; micromechanics; structural mechanics; stability; vibrations; wave propagation; robotics; contact; friction and wear; optimization; identification; mechanics of rigid bodies; biomechanics.

#### **Author benefits**

The benefits of publishing in **International Journal of Mechanics and Solids (IJM&S)** include:

- \* Fast publication times: your paper will appear online as soon as it is ready, in advance of print version
- \* Excellent editorial standards
- \* Free colour in electronic version
- \* Access free on-line issue of journal for one year.
- \* A rigorous, fast and constructive peer review process
- \* All abstracts and full text available free on-line to all main universities/institution  
Worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With Kind Regards,

**Sayavur I. Bakhtiyarov**, Editor-in-chief
