INTERNATIONAL JOURNAL OF DIFFERENCE EQUATIONS

Aims and Scope

IJDE publishes original papers of high scientific value in all areas related to difference equations and dynamical systems. The journal will also concentrate on any kind of applications in these areas to other subjects such as biology, physics, chemistry, engineering, statistics, economics and finance.

Instructions to Authors

Submission of a manuscript is welcome provided that it, or any translation of it, has not been copyrighted or published, that it is not being submitted for publication elsewhere and that, if the work received official sponsorship, it has been duly released for open publication.

Submission of Manuscripts

Manuscripts should be submitted in electronic form as a pdf file through e-mail to any member of the Editorial Board. The e-mail must be carbon copied to the Editor-in-Chief (bohner@umr.edu). The authors are required to submit the LaTeX source code of the manuscript upon acceptance of the paper. The acceptance of the paper implies the copyright transfer to the publisher automatically.

Editor-in-Chief

Martin Bohner, University of Missouri-Rolla, Department of Mathematics and Statistics, Rolla, MO 65409-0020, USA,

bohner@umr.edu,

<http://www.UMR.edu/~bohner>

Instructions to Authors

The manuscript of the paper should be in English typeset in LaTeX or TeX, and the following format/order should be adopted:

1. Title (please no formulas)
2. Author(s)
3. Affiliation and e-mail
4. Abstract (please no formulas and at most 100 words)
5. Key Words
6. 2000 Mathematics Subject Classifications (please refer to <http://www.ams.org/msc>)
7. Content of paper (12 point)
8. References (please list in alphabetical order and use official journal abbreviations as in <http://www.ams.org/mathweb/mi-ansser.html>)

Reviewing Process

Each paper will be peer-reviewed by a minimum of two independent referees, whose identities will be held in strictest confidence. Reviewers' comments will be communicated anonymously to the author(s)

Reprints

Twenty-five reprints of a paper are provided to the author(s) ex-gratis.
