E-mail: wching@hkusua.hku.hk

Dear Colleagues,

We are pleased to announce the launching of our new journal “**Mathematical Modelling and Applied Computing (MMAC)**”. We would like to invite you to submit manuscripts of your original papers, for possible publication in **MMAC**, which publishes top-level original and review papers covering all areas related of Mathematical Modelling and application in different fields of Computational Sciences and Technology. All submissions should be made electronically to the Editor-in-chief through: (E-mail: wching@hkusua.hku.hk). More information on the journal and the publishing process can be obtained at: www.rippublication.com/mmac.htm

Mathematical Modelling and Applied Computing (MMAC) is an international research journal, which publishes top-level original and review papers, short communications and proceedings on Interdisciplinary Integrative Forum on Modelling, Simulation and Scientific Computing in Engineering, Physical, Chemical Biological, Medical, Environmental, Social, Economic and Other Systems using Applied Mathematics and Computational Sciences and Technology. Areas of interest include but are not limited to Engineering Systems, Computational Engineering, Computational Sciences and Technology, Applied Mathematics, Mathematical Methods, Numerical Modelling, Biomedical Systems, Agricultural, Mineral and Energy Resources, Defense Related Problems, Economics, Business and Management, Environmental Sciences and Engineering, Model Validations and more....

Author benefits

The benefits of publishing in Mathematical Modelling and Applied Computing (MMAC) include:

- * **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version
- * Excellent editorial standards
- * Free colour in electronic version
- * **Access free on-line issue of journal for one year.**
- * A rigorous, fast and constructive peer review process
- * All abstracts and full text available free on-line to all main universities/institution worldwide to **ensures promotion to the widest possible audience.**

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this new journal amongst your colleagues for possible contribution and subscription.

With Kind Regards,

Wai-Ki CHING, Editor-in-chief

Mathematical Modelling and Applied Computing
