### Call for Papers

Editor-in Chief :

### Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Information and Computation Technology (IJICT)**, which publishes articles in the field of Computer Science, Computational Mathematics, Computer Engineering and Scientific Computing, Software Engineering, Neural Networks, Nano-Technology, Natural language processing, and Information retrieval, includes Algorithm and Computational complexity; Computer architecture and High performance computing; distributed and grid computing; Human-computer interaction; VLSI design and testing; Artificial intelligence; Dependable computing, etc. All submissions should be made electronically to the Editor-in-chief through: (EIC: [irpeditor@gmail.com](mailto:irpeditor@gmail.com)). More information on the journal and the publishing process can be obtained at: [www.irphouse.com](http://www.irphouse.com)

The International Journal of Information and Computation Technology (IJICT) is an international research journal. The papers for publication in IJICT are selected through rigorous peer reviews to ensure originality, timeliness, relevance, and readability.

**Submission:** Authors are requested to submit their papers electronically to [irpeditor@gmail.com](mailto:irpeditor@gmail.com) with mention journal title (**IJICT**) in subject line.

### Author benefits:

The benefits of publishing in **International Journal of Information and Computation Technology (IJICT)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

*With kind regards,*

Editor-in-chief

International Journal of Information and Computation Technology
