Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **Journal of Applied Mathematics and Fluid Mechanics (JAMFM)**, which promptly publishes original research papers in the fields of applied mathematics and fluid mechanics. All submissions should be made electronically to the Editor-in-chief through: (EIC: irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

The Journal of Applied Mathematics and Fluid Mechanics (JAMFM) is an international research journal. Emphasis is placed on mathematical and computational methods with their applications to engineering, financial, and life sciences as well as on important developments in mathematical and computational theories of fluid mechanics including aeronautics, environmental fluid dynamics, geophysical fluid dynamics, gas dynamics, non-Newtonian fluid dynamics and fluid dynamics of material sciences. Manuscripts are invited from academicians, research students, and scientists for publication consideration.

Submission: Authors are requested to submit their papers electronically to irpeditor@gmail.com with mention journal title (**IJMF**) in subject line.

Author benefits:

The benefits of publishing in **Journal of Applied Mathematics and Fluid Mechanics (JAMFM)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

K. Q. Lan, Editor-in-chief
