Dear Colleagues,

We are pleased to announce the launching of our new journal “International Journal of Applied Environmental Sciences (IJAES)”. We would like to invite you to submit manuscripts of your original papers, for possible publication in IJAES which is a peer-reviewed periodical dedicated to the proliferation and dissemination of scholarly research results covering all disciplines and branches of Environmental Engineering and Applied Environmental Science. Its Editorial Board is comprised of internationally known peers from across the globe. We are proud to have attracted some of the global leaders in their respective fields. All submissions should be made electronically to the editor-in-chief through: (EIC: [supark@snu.ac.kr](mailto:supark@snu.ac.kr)). More information of the journal, and the publishing process can be obtained at: [www.ripublication.com/ijaes.htm](http://www.ripublication.com/ijaes.htm)

The “**International Journal of Applied Environmental Sciences (IJAES)**” provides an effective forum for the dissemination of environmental research, encouraging interdisciplinary research collaboration to address the multi-faceted nature of environmental problems. It addresses all aspects of environmental engineering and applied environmental science. The journal publishes original research papers on main aspects of environmental sciences, such as environmental chemistry, environmental biology, ecology geoscience and environmental physics. Appropriate subjects include basic and applied research on atmospheric, terrestrial and aquatic environments pollution control and abatement technology, conservation of natural resources, environmental health study and toxicology, environmental quality assessment, environmental standards and criteria. Review articles in selected areas are published from time to time.

**Frequency:** The first issue of Journal (IJAES) is expected to be launched from the month of September with two issues this year and four issues from next year.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this new journal amongst your colleagues for possible contribution and Subscription. IJAES printed copies are available via annual subscription for \$120/Libraries and \$80/Individual.

With Kind Regards,

**Soon-Ung Park**, Editor-in-chief

**International Journal of Applied Environmental Sciences**
