### Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **Advances in Algebra (AA)**, which is a peerreviewed periodical covering various aspects of theoretical and applied aspects of Algebra. All submissions should be made electronically to the Editor-in-chief through: (EIC:[submit@rippublication.com](mailto:submit@rippublication.com)). More information on the journal and the publishing process can be obtained at: [www.rippublication.com/aa.htm](http://www.rippublication.com/aa.htm)

The **Advances in Algebra (AA)** is an international research journal, which publishes top-level work from all areas of theoretical and applied aspects of Algebra. Areas and subareas of interest include (but are not limited to) Structure of finite groups and algebraic groups, Representation of finite groups, Combinatorics, Galois theory, Algebraic geometry, Ring theory, both commutative and non-commutative, super algebras, Quantum groups, Combinatorial group theory and semigroup theory, Universal algebra, algorithmic and Formal language theory, theory of computation, theoretical computer science and more...

**Submission:** Authors are requested to submit their papers electronically to [submit@rippublication.com](mailto:submit@rippublication.com) with mention journal title (AA) in subject line.

### Author benefits:

The benefits of publishing in **Advances in Algebra (AA)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

*With kind regards,*

**Young Bae Jun**, Editor-in-chief
