Call for Papers

Editor-in-chief:

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **Global Journal of Computational Intelligence Research (GJCIR)**, which publishes research and applied articles from all areas of Computational Intelligence and its applications. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/gjcir.htm

The Global Journal of Computational Intelligence Research (GJCIR) is a peer reviewed international journal with a key objective to provide the academic and industrial community a medium for presenting original cutting edge research related to computational intelligence and its applications. GJCIR invites authors to submit their original and unpublished work that communicates current research on computational intelligence both the theoretical and methodological aspects, as well as various applications in real world problems from science, technology, business or commerce.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**GJCIR**) in subject line.

Author benefits:

The benefits of publishing in **Global Journal of Computational Intelligence Research (GJCIR)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Editor-in-chief

Global Journal of Computational Intelligence Research (GJCIR)
