Call for Papers

Editor-in-chief:

Prof. P.V.S. Srinivas,

Dept. of Computer Science & Engg.,

Jaya Prakash Narayan College of Engg.,

Mahabubnagar, Andhra Pradesh,

India

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Theoretical and Applied Computer Sciences (IJTACS)**, which publishes all theoretical and computational advances within the scope of the Journal. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/ijtacs.htm

The International Journal of Theoretical and Applied Computer Sciences (IJTACS) will make an attempt to develop an inter-disciplinary forum for the exchange of innovative ideas between academicians and researchers community across the globe. The Journal will comprise of two issues per year and will appear in the month of July and December. It aims to provide a fast medium of publication of high quality state-of-art original research papers in the area of computational science, scientific computing, applied science and engineering, abstracts, survey articles and all theoretical and computational advances within the scope of the Journal.

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**IJTACS**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Theoretical and Applied Computer Sciences (IJTACS)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Prof. P.V.S. Srinivas, Editor-in-chief

International Journal of Theoretical and Applied Computer Sciences (IJTACS)
