Call for Papers

Editor-in-chief:

Ram U. Verma,

Department of Mathematics,

University of Toledo

Toledo, Ohio 43606,

USA

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Applied Mathematical Sciences (JAMS)**, which publishes in all areas of applied mathematical sciences and other related areas of mathematical sciences. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/jams.htm

The **IJAMS** will cover approximation theory, computation, systems control, difference equns, differential equations and dynamical systems, financial math, fluid mechanic and solid mechanics, functional calculus and applications, linear and nonlinear waves, numerical algorithms, numerical analysis, operations research, optimization, pde, probability and stochastic processes, simulation, statistics, wavelets and wavelet transforms, inverse problems, +more. and It covers also areas: ,applied nonlinear analysis, variational and hemivariational inequalities, complementarity systems, differential inclusions, and statistics, wavelets and wavelet transforms and more...

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**JAMS**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Applied Mathematical Sciences (JAMS)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Ram U. Verma, Editor-in-chief

International Journal of Applied Mathematical Sciences (JAMS)
