Call for Papers

Editor-in-chief:

Ali A. Yassine,

Industrial & Enterprise Systems Engineering,

University of Illinois at Urbana-Champaign,

313 Transportation Building, Urbana,

Illinois, USA

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Instrumentation Science and Engineering (JISE)**, which publishes top-level work from all aspects of the Industrial Engineering areas. All submissions should be made electronically to the Editor-in-chief through: (EIC: submit@rippublication.com). More information on the journal and the publishing process can be obtained at: www.rippublication.com/jise.htm

The International Journal of Instrumentation Science and Engineering (JISE) is an international scholarly journal. Areas covers (but not limited to) Computational Intelligence in Industrial Engineering, Consumer Product Design, Engineering Economy and Cost Estimation, Facilities Design and Location, Maintenance Engineering and Management, Performance Analysis and Simulation, Production Systems Design, Planning and Control, Productivity and Business Strategies, Project Management, Technology Management and Transfer, Total Quality Management and Quality Technology, Work Measurement and Methods Engineering and more...

Submission: Authors are requested to submit their papers electronically to submit@rippublication.com with mention journal title (**JISE**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Instrumentation Science and Engineering (JISE)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Ali A. Yassine, Editor-in-chief

International Journal of Instrumentation Science and Engineering (JISE)
