Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Computational Science and Mathematics (IJCSM)**, which offers prompt publication of articles covering Applied in Computational Mathematics. All submissions should be made electronically to the Editor-in-chief through: (EIC: irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

The International Journal of Computational Science and Mathematics (IJCSM) is an international research journal. Emphasis is placed on mathematical and computational methods with their applications to interfaces in Physics, Computer Science, Engineering, Chemistry, Biology, Operations Research, Statistics, Social Sciences and Economy. The journal has the usual quality standards of scientific international journals and we aim high level of contributions in terms of originality, depth and relevance. Articles must appeal to an international audience.

Submission: Authors are requested to submit their papers electronically to irpeditor@gmail.com with mention journal title (**IJCSM**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Computational Science and Mathematics (IJCSM)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
