Call for Papers

Editor-in Chief :
Mohammed Al-Seady,
Head of Department of Physics
Gizan Teacher's of College
Gizan - KSA

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Materials Physics (IJMP)**, which publishes original research articles in the fields of materials science and engineering. All submissions should be made electronically to the Editor-in-chief through: (EIC: irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

The International Journal of Materials Physics (IJMP) is an international research journal, It includes materials physics, physical metallurgy and process metallurgy covering the areas of mining and ore dressing, production metallurgy, foundry, metal working, testing methods, powder metallurgy, composites, welding and joining, oxidation and corrosion. Articles must appeal to an international audience.

Submission: Authors are requested to submit their papers electronically to irpeditor@gmail.com with mention journal title (**IJMP**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Materials Physics (IJMP)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 3-4 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Mohammed Al-Seady, Editor-in-chief
